Dr. Raipuskar
17

P. V. D. T. H.
29/7/24.

Head of the Department
Computer Science & Engineering
Shri Ramdeobaba College of
Engineering & Management, Nagpur-13

I hope this mail finds you in good health.

I'm taking this opportunity to formally acknowledge my previous appointment as an Assistant Professor at Shri Ramdeobaba College of Engineering and Management (RCOEM), Gittikhadan, Nagpur. During my tenure, I had the privilege of guiding several talented students including Atharva Rewatkar and his associates.

In my supervision, Atharva Rewatkar and his team accomplished two important projects:

1. American Sign Language Translation and Recognition: The project aimed at developing a system that can translate and identify American Sign Language to enhance accessibility and communication for people with hearing impairments.
2. Mitigating Driving Hypnosis and Drowsiness for Enhanced Safety on Samruddhi Mahamarg: This project was aimed at addressing the issues of driving hypnosis and drowsiness, especially on Samruddhi Mahamarg which is a major expressway in Maharashtra state thus enhancing road safety.

It was a rewarding experience to mentor such dedicated and innovative students, I am proud of their achievements. Please contact me if you require any further information or verification.

Best regards,

Dr. Shailendra Aote
Former Assistant Professor
Shri Ramdeobaba College of Engineering and
Management (RCOEM)
Gittikhadan, Nagpur
